

Your car eaten?

A Warren man ate an entire car in one sitting. Why did he do this? The man ate the car for a package of *BEEF-FLAVORED RAMEN NOODLES* shortly after he ate the car he started to see red and ate the ramen noodles.

Why you should invest in bad tasting car paint

Now that *CAR-EATING MEN* roam the streets you might want to invest in some *Sherwin Williams* “car no eaty” paint. The first 16 to purchase the new paint will receive *protectonary sunglasses* so if your car is eaten, you wont have to watch!

Are your windows being stolen?

Are your windows being stolen? Short answer: *probably*.
